

## Form for visitors

Dear Sir or Madam,

The FRAISA Group has taken steps to protect its employees in the context of coronavirus. Because the situation has escalated drastically over recent weeks, and large areas of Europe and the world are affected, **we are now imposing an immediate ban on visitors to our sites. This measure applies to all of our branches.**

Management can allow isolated exceptions, provided they are operationally essential and urgent. **In the event of such visits, we ask that you answer the question below. Return the signed form to your contact person at least 24 hours before arrival, so that they can obtain permission from the relevant member of management.**

If you are not suffering from any of the symptoms listed below, and your visit is urgent and essential, then you may visit. But if you do notice that you have, or have had, any of the listed symptoms, we politely ask you to understand that we will not be able to receive you in person.

**Are you currently suffering from any of the following symptoms, or have you suffered any of them during the past two weeks?**

- Fever (body temperature over 37.5°C)
- Cough
- Breathing difficulties

Planned date of visit: \_\_\_\_\_

---

First name, surname (block capitals)/signature/place, date

Thank you for your understanding.

Yours sincerely,

Josef Maushart, VRP&CEO Fraisa Group
