High-performance machining
made simple

FRAISA – Your technology partner for
milling processes

Article P8322 and P8407/P8307

E-Cut – efficient and economical

- ▶ Easy-cut geometry
- ▶ 6.3xd cutting edge length
- ▶ Chip breaker
- ▶ Smooth running characteristics
- ▶ Optimized polished tooth edge
- ▶ Corner radius
- ▶ Edge conditioning
- ▶ Rigidity-optimized transitions

Excellent cost-
performance ratio

HPC and HDC roughing, 3D
machining and finishing

Easy to use, safe
and reliable

Sustainable thanks
to FRAISA ReTool®

Extremely
economical
